

## **Mina Kamal Selim - Trainer/Consultant**

Career Guidance and Counselling Senior Specialist, and Peer Helping (Together We Soar)  
Facilitator for WISE

Mina is an education and training professional with expertise in human resources and career guidance management and development. He has led the effort in Egypt to implement Peer Helping (Together We Soar) in eight Egyptian Technical High Schools through a needs assessment, co-training adult peer program professionals and co-facilitating Technical Assistance in those schools to compare their program with NAPPP Programmatic Standards. In my current role, I collaborate with schools, government, and private industry to improve youth entrepreneurship, employment opportunities and outcomes through managing significant elements of the expansion and optimization of “transition to employment units” at the school and local level. Working with technical secondary education professionals, I observe and coach career guidance and counseling staff, monitors curriculum implementation, and regularly leads training sessions for teachers, school administrators, and prospective trainers. Known for demonstrating excellent training and facilitation skills
